AND APPROVING THE ASSUMPTION AND ASSIGNMENT OF
EXECUTORY CONTRACTS AND UNEXPIRED LEASES TO ZETA GLOBAL
HOLDINGS CORP. IN CONNECTION WITH SALE OF DEMAND SIDE
PLATFORM AND DATA MANAGEMENT PLATFORM AND
(II) GRANTING RELATED RELIEF**

The above-captioned debtors and debtors in possession (collectively, "Debtors") respectfully state the following in support of this motion (the "Motion"):

Preliminary Statement

1. On April 19, 2019, the Court entered an order (the "Sale Order") [Dkt No. 143] authorizing certain of Debtors to sell (the "Sale") certain assets (the "Purchased Assets") related

¹ Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, include: Sizmek Inc. (4624); Sizmek DSP, Inc. (2319); Point Roll, Inc. (3173); Sizmek Technologies, Inc. (6402); Wireless Artist LLC (0302); Wireless Developer, Inc. (9686); X Plus One Solutions, Inc. (8106); and X Plus Two Solutions, LLC (4914). The location of Debtors' service address for purposes of these chapter 11 cases is: 401 Park Avenue South, Fifth Floor, New York, NY 10016.

to Debtors' Demand Side Platform ("DSP") and Data Management Platform ("DMP") to Zeta Global Holdings Corp. (or its designee) ("Buyer") in accordance with the terms of that certain Asset Purchase Agreement ("APA") dated as of April 18, 2019, by and among certain of Debtors and Buyer. The Sale closed on May 1, 2019.

2. Debtors did not seek approval of the assumption and assignment of any contracts or leases pursuant to the motion requesting approval of the Sale. However, because Buyer intends to continue the DSP and DMP businesses, Debtors now seek to assume certain executory contracts and unexpired leases and assign such contracts and leases to Buyer.

3. Parties receiving notice of this Motion should locate their names and contracts on **Exhibit B.**

Jurisdiction and Venue

4. The United States Bankruptcy Court for the Southern District of New York (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated February 1, 2012. Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

5. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

6. The statutory basis for the relief requested herein is section 365(a) of the Bankruptcy Code.

Relief Requested

7. By this Motion, Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Proposed Order”) authorizing Debtors to assume the executory contracts and unexpired leases identified on **Exhibit B** attached hereto (together with any schedules, addendums, and amendments thereto, the “Assigned Contracts”) and assign the Assigned Contracts to Buyer.

Background

8. Sizmek Inc., together with its Debtor and non-Debtor affiliates, is a leading online advertising campaign management and distribution platform for advertisers, media agencies, and publishers. Debtors and their non-Debtor affiliates, who, as of March 29, 2019 (the “Petition Date”) had approximately 1,114 employees worldwide, assist their clients with engaging a broad consumer audience in 19 countries across multiple online media channels by facilitating the implementation of targeted, data-driven advertising strategies that encompass all of the technology and intelligence necessary to execute effective global advertisement campaigns. Debtors are headquartered in New York, New York, with operations and assets in the United States and abroad. As of the Petition Date, Debtors have approximately \$172 million of funded indebtedness.

A. The Chapter 11 Cases

9. On the Petition Date, each Debtor filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”). Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to Bankruptcy Code Sections 1107(a) and 1108. On April 17, 2019, the Office of the United States Trustee for the Southern District of New York (the “U.S. Trustee”) appointed an official committee of unsecured creditors in these chapter 11 cases (the “Committee”).

10. Additional information regarding Debtors' business, their capital structure, and the circumstances leading to these chapter 11 filings is contained in the *Declaration of Sascha Wittler, Chief Financial Officer of Sizmek Inc., (I) in Support of Chapter 11 Petitions and First Day Pleadings, and (II) Pursuant to Local Rule 1007-2* [Dkt. 13], filed on April 2, 2019, and the *Supplemental Declaration of Sascha Wittler, Chief Financial Officer of Sizmek, Inc. (I) in Support of Chapter 11 Petitions and First Day Pleadings, and (II) Pursuant to Local Rule 1007-2* [Dkt. 54], filed on April 9, 2019 (together, the "First Day Declaration").

B. The DSP/DMP Sale and the Assigned Contracts

11. On April 19, 2019, Debtors filed the *Debtors' Motion for an Order Authorizing and Approving a Private Sale of the Demand Side Platform and the Data Management Platform Free and Clear of All Liens, Claims, Encumbrances, and Other Interests, and Granting Related Relief* [Dkt. 78] (the "Sale Motion").

12. On April 19, 2019, the Court entered the Sale Order granting the Sale Motion and authorizing the Sale of the Purchased Assets related to the DSP and DMP in accordance with the terms of the APA. The Sale closed on May 1, 2019.

13. Debtors did not seek approval of the assumption and assignment of the Assigned Contracts pursuant to the Sale Motion, but, pursuant to the Sale Order, the Court approved a form of a Cure Notice (the "Cure Notice") to be delivered by Debtors to the counterparties of the contracts and leases Buyer would ultimately seek to assume.

14. Buyer intends to continue the DSP and DMP businesses, and the Assigned Contracts are critical to the success of the DSP and DMP businesses in the hands of Buyer.

15. Accordingly, by this Motion, Debtors seek to assume approximately 671 contracts and leases and assign such contracts and leases to Buyer.

A. Assumption and Assignment of the Assigned Contracts is an Exercise of Debtors' Sound Business Judgment and is in the Best Interests of Debtors' Estates.

16. Section 365(a) provides that a debtor in possession “subject to the court’s approval, may assume or reject any executory contract or [unexpired] lease of the debtor.” 11 U.S.C. § 365(a). Approval of a debtor’s decision to assume or reject an executory contract or unexpired lease is appropriate when the debtor’s reasonable business judgment supports assumption or rejection. *See, e.g., Orion Pictures Corp. v. Showtime Networks, Inc. (In re Orion Pictures Corp.)*, 4 F.3d 1095, 1098 (2d Cir. 1993) (noting that Section 365 “permits the trustee or debtor-in-possession, subject to the approval of the bankruptcy court, to go through the inventory of executory contracts of the debtor and decide whether ones it would be beneficial to adhere to and which ones it would be beneficial to reject”).

17. The business judgment test “requires only that the trustee [or debtor in possession] demonstrate that [assumption] or rejection of the contract will benefit the estate.” *Wheeling-Pittsburgh Steel Corp. v. West Penn Power Co., (In re Wheeling-Pittsburgh Steel Corp.)*, 72 B.R. 845, 846 (Bankr. W.D. Pa. 1987). More exacting scrutiny would slow the administration of a debtor’s estate and increase costs, interfere with the Bankruptcy Code’s provision for private control of administration of the estate, and threaten the court’s ability to control a case impartially. *See Richmond Leasing Co. v. Capital Bank*, 762 F.2d 1303, 1311 (5th Cir. 1985). Moreover, to assume an executory contract, a debtor must “cure, or provide adequate assurance that the debtor will promptly cure,” any default. 11 U.S.C. § 365(b)(1).

18. A debtor may assign a contract it has assumed. 11 U.S.C. § 365(f)(2) (providing that the “trustee may assign an executory contract...only if the trustee assumes such contract...and adequate assurance of future performance is provided.”). “Adequate assurance of future performance” depends on the facts and circumstances of a given case. Adequate assurance may

be provided by demonstrating the assignee's financial health and experience in managing the type of enterprise or property assigned. *See, e.g., In re Bygaph, Inc.*, 56 B.R. 596, 605-06 (Bankr. S.D.N.Y. 1986) (finding adequate assurance is present when prospective assignee has financial resources and is willing to devote sufficient funding to business to give it strong likelihood of success).

19. Debtors submit that assumption and assignment of the Assigned Contracts is a sound exercise of Debtors' business judgment. Assumption and assignment of the Assigned Contracts is necessary to fully complete the transition of the DMP and DSP businesses to Buyer. As the Court has already found, the Sale is in the best interests of Debtors' estates and creditors. Accordingly, assumption and assignment of the Assigned Contracts to Buyer, in order to complete the transaction already authorized by the Court, is likewise in the best interests of all interested parties.

B. All Defaults Under the Assigned Contracts Will be Cured.

20. Section 365(b) of the Bankruptcy Code provides that a debtor may assume an executory contract or unexpired lease under which a default has occurred only if the debtor "cures" the default. *See* 11 U.S.C. § 365(b)(1)(a).

21. **Exhibit B** attached hereto sets forth the proposed amounts Debtors believe are necessary to cure any defaults under the Assigned Contracts and which must be paid upon assumption in accordance with section 365(b) of the Bankruptcy Code (the "Cure Costs").

22. As required by the Sale Order, Debtors are also providing notice of the proposed assumption and assignment of the Assigned Contracts, as well as the proposed Cure Costs, to all counterparties to the Assigned Contracts, by delivering the Cure Notice attached hereto as **Exhibit**

C to all counterparties of the Assigned Contracts (in addition to service of this Motion). The Cure Notice also lists the proposed Cure Costs.

23. Debtors have satisfied the “cure” requirements of section 365(b)(1)(A). Pursuant to the APA, Buyer agreed to pay all Cure Costs associated with the Assigned Contracts. Such Cure Costs will be paid in full promptly upon the entry of the Proposed Order.

24. In the event of a dispute between Debtors and the counterparty to any Assigned Contract with respect to Cure Costs, Debtors request authorization to pay the appropriate amount following the earlier of (a) the date on which Debtors and/or Buyer reach an agreement on the amount of the Cure Cost with the applicable counterparty or (b) the date on which an order entered by the Court determining such amount becomes final and non-appealable.

C. Buyer has Provided Adequate Assurance of Future Performance.

25. Section 365(b)(1) of the Bankruptcy Code also requires that a debtor seeking to assume an executory contract or unexpired lease must provide “adequate assurance of future performance.” *See* 11 U.S.C. § 365(b)(1)(c).

26. The present facts and circumstances demonstrate that the counterparties to the Assigned Contracts will be adequately assured of future performance. Founded in 2007, Buyer is a marketing technology company that helps brands acquire more customers, retain them longer and grow their value. Buyer has 26 global offices and more than 1250 employees (not including the offices and employees acquired as a result of Buyer’s acquisition of the Sizmek DMP and DSP). Buyer’s 2018 revenues were more than \$350 million, and Buyer has experienced annual growth of more than 20% since 2017. Buyer is financially strong and fully capable of performing the obligations under the Assigned Contracts.

27. To the extent necessary, Debtors and/or Buyer will present facts at the hearing to show the financial wherewithal, willingness, and ability of Buyer to perform under the Assigned Contracts.

Bankruptcy Rule 6006(f)

28. Bankruptcy Rule 6006(f) requires that a motion to assume and assign multiple executory contracts or unexpired leases:

- a. state in a conspicuous place that parties receiving the omnibus motion should locate their names and their contracts or leases listed in the motion;
- b. list parties alphabetically and identify the corresponding contract or lease;
- c. be numbered consecutively with other omnibus motion to assume, assign or reject executory contracts or unexpired leases; and
- d. be limited to no more than 100 executory contracts or unexpired leases.

29. With the exception of the requirement that such motion be limited to no more than 100 executory contracts or unexpired leases, Debtors believe that the Motion complies with these requirements. Debtors respectfully request that the court waive the requirement that the Motion be limited to no more than 100 executory contracts or unexpired leases. Debtors submit that filing one motion with more than 100 contracts and leases is more efficient, cost effective and streamlined for parties in interest than Debtors filing two motions at the same time in order to only assume and assign 100 leases at one time. No counterparty to an Assigned Lease should be prejudiced by such waiver.

Motion Practice

30. This Motion includes citations to the applicable rules and statutory authorities upon which the relief requested herein is predicated and a discussion of its application to this Motion. Accordingly, Debtors submit that this Motion satisfies Local Rule 9013-1(a).

Notice

31. Debtors will provide notice of this Motion to the following parties and/or their respective counsel, as applicable: (a) the U.S. Trustee; (b) counsel to the Committee; (c) the holders of the 50 largest unsecured claims against Debtors (on a consolidated basis); (d) the Prepetition Secured Parties (defined in the First Day Declaration); (e) the United States Attorney's Office for the Southern District of New York; (f) the Internal Revenue Service; (g) the United States Securities and Exchange Commission; (h) the attorneys general in the states where Debtors conduct their business operations; (i) the counterparties to each of the Assigned Contracts; and (j) any party that has requested notice pursuant to Bankruptcy Rule 2002. Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

32. No prior request for the relief sought in this Motion has been made to this or any other court.

[Remainder of page intentionally left blank.]

WHEREFORE, Debtors respectfully request that the Court enter the Proposed Order granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing, if any, before this Court (the “Hearing”); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is **HEREBY ORDERED THAT**:

1. The Motion is granted as set forth herein.
2. The requirements of Bankruptcy Rule 6006(f) are hereby waived as they relate to the Motion.
3. The assumption and assignment of the Assigned Contracts pursuant to the terms of this Order is integral to the APA, is in the best interests of Debtors and their estates, creditors, and other parties in interest and represents the reasonable exercise of sound and prudent business judgment by Debtors.
4. Pursuant to section 365(a) of the Bankruptcy Code, Debtors are authorized and directed to assume and assign the Assigned Contracts to Buyer free and clear of all liens, claims, encumbrances and other interests arising prior to assumption and assignment, except for Buyer’s obligation to pay certain applicable Cure Costs. With respect to each Assigned Contract, payment of the Cure Costs shall (a) effect a cure of all monetary defaults existing thereunder, (b) compensate the applicable Assigned Contract counterparty for any actual pecuniary loss resulting from any such default, and (c) together with the assignment of the Assigned Contracts by Buyer, constitute adequate assurance of future performance thereof.
5. Any provision in or effect of any Assigned Contract that prohibits or conditions the assignment of such Assigned Contract or allows the counterparty to such Assigned

Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Assigned Contract, constitutes an unenforceable anti-assignment provision that is void and of no effect pursuant to section 365(f) of the Bankruptcy Code. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by Debtors and assignment to Buyer of the Assigned Contracts have been satisfied, and such assumption and assignment shall not constitute a default thereunder. Upon the closing of the APA and the payment of the required Cure Costs, Buyer shall be fully and irrevocably vested with all right, title and interest of Debtors under each Assigned Contract, and Debtors shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, from any further liability to the counterparties to such Assigned Contracts.

6. Assumption of the Assigned Leases shall be effective notwithstanding a dispute over the proposed Cure Costs. In accordance with the terms of the APA, Buyer shall pay the Cure Costs as soon as practicable after assumption of any Assumed Lease pursuant to this Order. Any disputed Cure Cost must be paid promptly after the earlier of (a) the date on which Debtors and the counterparty to the Assigned Contract agree on an amount or (b) the date specified in a final and non-appealable order entered by this Court determining such amount. Debtors and Buyer shall cooperate concerning the resolution of disputed Cure Costs.

7. Upon the entry of this Order, the counterparties of the Assigned Contracts shall be forever barred and enjoined from asserting against Debtors any defaults, claims, interest or other default penalties under the Assigned Contract arising prior to the date of this Order.

8. Assumption of any Assigned Contract or payment of an associated Cure Cost does not represent a waiver by Debtors of any rights, claims, or defenses in connection with or arising under any such Assigned Contract.

9. Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Motion.

10. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation and/or interpretation of this Order.

PLEASE TAKE NOTICE OF THE FOLLOWING:

On April 19, 2019, Sizmek Inc. and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**”) filed with the United States Bankruptcy Court for the Southern District of New York (the “**Court**”) a motion (Doc.
